T A S T E   Y O U R   I M A G I N A T I O N

DE  
Essen bringt Menschen auf der ganzen Welt zusammen. Wir finden, dass Teller und Schüsseln dieses Gemeinschaftsgefühl zum Leben erwecken und dabei erschwinglich sein sollten. Daher haben wir uns bei der Gestaltung dieser Kollektion voll und ganz auf ein neues Material eingelassen.  
Inspirierte vom traditionellen Töpfershandwerk haben wir außerdem besonders viel Wert auf Details gelegt: hochwertige Materialien sowie erdig warme Farbtöne.  
Wir wünschen Ihnen viel Freude bei der Entdeckung von Rakstone.

EN

This collection was born with the creation of a new material arising from a desire to share unique memories. Food is one of the ultimate experiences that brings people together. We thought plates and bowls should reflect this warm spirit and match your ambition, by still remaining affordable.

Therefore, we paid great attention to details: high quality materials with earthy color tones. The inspiration comes from the process of hand modelling and decoration in traditional studio pottery.

We hope you will enjoy discovering Rakstone as much as we did designing it.

FR

Cette collection est née de la volonté de créer un nouveau matériau et de partager des souvenirs uniques. La nourriture sait rapprocher les gens mieux que quiconque, c'est pourquoi nous avons pensé que les assiettes et les bols devaient refléter cet esprit chaleureux et être à la hauteur de vos ambitions, tout en restant abordables.  
Nous avons donc porté une grande attention aux détails : des matériaux de haute qualité dans des tons couleur terre. L'inspiration vient du modelage et de la décoration à la main dans les ateliers de poterie.  
Nous espérons que vous aurez autant de plaisir à découvrir Rakstone que nous avons eu à la concevoir.

Wir wünschen Ihnen viel Freude bei der Entdeckung von Rakstone.

ES

Esta colección nace con la creación de un nuevo material y del deseo de compartir recuerdos inolvidables. La comida es una experiencia única que une a la gente, por lo que pensamos que los platos y tazones deben reflejar ese espíritu cálido y estar a la altura de su ambición sin dejar de ser asequibles.  
Por eso prestamos mucha atención a los detalles: materiales de alta calidad con colores de tonos terrosos. La inspiración proviene del modelado a mano y de la decoración en los talleres de cerámica.  
Esperamos que disfruten descubriendo Rakstone tanto como nosotros lo hemos hecho diseñándola.

IT

Questa collezione è nata con la creazione di un nuovo materiale e il desiderio di condividere ricordi unici. Il cibo è una delle esperienze che più unisce le persone, abbiamo pensato che i piatti e le ciotole dovrebbero riflettere questo spirito ed essere all'altezza delle vostre ambizioni, pur rimanendo accessibili.  
Per questo abbiamo prestato grande attenzione ai dettagli: dei materiali di alta qualità con tonalità di colore della terra. L'ispirazione viene dalla modellazione e della decorazione a mano nei tradizionali laboratori di ceramica.  
Speriamo che vi divertirete a scoprire Rakstone tanto quanto noi ci siamo divertiti a idearla.

DE

RAKSTONE-Artikel werden von unseren erfahrenen Mitarbeitern einzeln und von Hand bemalt. Dadurch wird jedes einzelne Stück zum Unikat. Diese individuelle Handwerkskunst kommt auch darin zum Ausdruck, dass die Sets unterschiedliche Nuancierungen und Farbintensitäten aufweisen können, welche folglich keinesfalls als Herstellungsfehler zu betrachten sind.

EN

RAKSTONE articles are individually hand decorated by our experienced operators. The specific feature of these designs is that no two pieces are the same. Sets of products with different shades and colour intensities give the collection its handmade character and colour variations shall not be considered as manufacturing defects.

FR

Les articles RAKSTONE sont décorés un à un à la main par nos opérateurs expérimentés. La particularité de ces décors réside dans le principe qu'aucune pièce n'est semblable à une autre. Les ensembles composés de produits aux nuances et intensités différentes donnent tout le caractère artisanal à la collection et ne doivent pas être considérées comme des défauts de fabrication.

ES

Nuestros experimentados fabricantes decoran manualmente los artículos RAKSTONE uno a uno. La particularidad de estas decoraciones radica en el principio de que no existen dos piezas iguales. Los juegos de productos con diferentes tonos e intensidades le otorgan el carácter artesanal a la colección y no deben considerarse defectos de fabricación.

IT

Gli articoli RAKSTONE sono decorati a mano, uno a uno, dai nostri esperti operatori. La particolarità di queste decorazioni è che non ne esistono due uguali. Le differenze di tonalità e intensità di colore dei prodotti contenuti nei set conferiscono alla collezione un carattere di artigianato e non devono essere considerate difetti di fabbricazione.

SELVA SERIES | COLOURS

addition, Selva, took the humble bowl and transformed it into a school of comfort and culinary innovation. Colours, shapes and textures come together with ingredients from various cuisines to create a delicious symphony. Available in a vast range of bowls and sizes, Selva offers endless possibilities to savour a variety of dishes, ranging from fresh smoothie bowls and poké bowls to hearty bowls of soups, and from healthy superfood bowls to comforting bowls of ramen and even BBQ bowls.

draws its inspiration from the mystic depths of the forest to the serene aura of the woods to the table. The series is six matte glazes which embody the enchanted colours of the heart of nature. Embrace untamed beauty by adding lush vegetation, mossy paths, ancient oak trees and green waters to your tableware.

uté de la série Ease, Selva transforme le simple bol en un symbole de confort culinaire. Les différentes couleurs, formes et tailles s'associent à des mets variés pour composer une délicieuse symphonie. Proposant une large gamme d'assiettes creuses, la série Ease Selva offre une infinité de possibilité pour les plats allant de la fraîcheur des smoothie et poké bowls au réconfort des casseroles et des soupes, en passant par des bols soins et équilibrés ou encore les repas en un clin d'œil.

tre des profondeurs mystiques de la forêt et invite l'aura sereine des bois à se présenter six émaux mats qui incarnent les couleurs enchantées que l'on trouve dans la nature. Laissez-vous séduire par la beauté sauvage en ajoutant magie d'une végétation luxuriante, des chemins couverts de mousse, des roches et des eaux turquoise.

neueste Erweiterung der Ease Serie, wirft ein neues Licht auf die Serie und macht aus dieser sowohl ein Symbol des Wohlbefindens als auch eine innovative Serie. Farben, Formen und verschiedene Größen sind die Basis für das Design, um zusammen eine köstliche Harmonie zu komponieren. Die Serie besteht aus einer Auswahl an Bowls und tiefen Tellern, bietet Ease Selva und einen breiten Bereich für die Zubereitung von Gerichten zu genießen, von frischen Smoothie-Bowls bis hin zu leckeren Frühstücks-Bowls und Suppen, und von gesunden Salaten bis hin zu leckenden Ramen-Bowls und sogar BBQ-Bowls.

hat sich von den mystischen Tiefen der Wälder inspirierte Aura zu Tisch. Die Serie besteht aus sechs matten Grünen Farben, die sich im Herzen der Natur befinden, von der Schönheit der Natur zu Tisch mit dem Zauber von Euketation, moosbewachsene Wege, uralte Eichen und türrn.

corporación más reciente a la línea Ease, ha tomado el formato en un símbolo de comodidad e innovación culinaria y tamaño con ingredientes de diversas gastronomías. Ease Selva incluye una amplia gama de cuchillos para posibilidades para saborear múltiples comidas o bebidas, poke, sopa, desayunos consistentes, superalimentos y carbacol.

está inspirada en la profundidad mística de los bosques arboleda. La serie cuenta con seis esmaltes mate que se aprecian en plena naturaleza. Decántese por una brisa de la magia de la vegetación frondosa, los caminos cubiertos y las aguas en verde turquesa.

ew entry della serie Ease, trasforma la semplice cappa e innovazione culinaria. Stoviglie di colori, forme e design o gli ingredienti delle più disparate tradizioni culinarie sono sinfonia di gusto. Caratterizzata da una vasta gamma Ease Selva offre infinite possibilità per assaporare piatti freschi e poké, colazioni sostenizie e zuppe, insalate e persino pietanze alla griglia.

trae ispirazione dalle profondità mistiche della foresta e dalla serenità del bosco. La serie comprende sei smalti opachi che si trovano nel cuore della natura. Lasciateli condensare sui boschi e porta a tavola la magia di una vegetazione primaria con querce secolari e acque color turchese.

EN - Compose your bowl with flavours from around the world.  
FR - Composez vos bols avec des saveurs du monde entier.  
DE - Gestalten Sie Ihre Schale mit Aromen aus der ganzen Welt.  
ES - Componga su bol con sabores de todo el mundo.  
IT - Componete le vostre ciotole con sapori di tutto il mondo.

COLOURS

## E A S E   S U M M E R

**EN**

The EASE series has been further enhanced with two delicate floral designs. Inspired by the **vintage trend**, they draw upon memories of yesteryear. Cast your mind back to your grandmother's family tableware and the service in bistros and tea rooms. Made with the same **high-quality and design standards** as EASE, all the pieces are ultra-resistant and **100% fireproof**. These **timeless shapes with their soft, uplifting colours** can be used to **enhance breakfast and lunch** depending on your mood, and can be combined - or not - with other EASE glazes, for the best effect!

**DE**

Die Serie EASE schmückt sich zusätzlich mit zwei zarten Blumendekors. Inspiriert vom **Vintage-Trend** lassen sie Erinnerungen an vergangene Zeiten aufleben: an die Tafeln, an denen zu Zeiten unserer Großmütter die ganze Familie zusammenkam, und an geschäftige Bedienungen in Bistros und Teestuben. Sämtliche Stücke sind extrem robust und **garantiert feuerfest**. Ihre Herstellung erfolgt unter Einhaltung der bei EASE stets geltenden **Qualitäts- und Designstandards**. Mit diesen zeitlosen Formen in sanften, ansprechenden Farben können Sie Frühstücks- und Mittagstische nach Belieben verschönern. Auch die Kombination mit anderen Glasuren von EASE ist möglich – mit einer Wirkung, die wahre Gaumenfreuden verspricht.

**ES**

La serie EASE se ha adornado con dos **delicados diseños florales**. Inspirados en la **tendencia vintage**, su interpretación se basa en los recuerdos de antaño: las mesas familiares de nuestras abuelas o los servicios de los bistrós y los salones de té. Fabricadas con los mismos estándares de **calidad y diseño** que EASE, todas las piezas son ultraresistentes y su **resistencia al fuego está garantizada**. Estas formas intemporales, de colores suaves y optimistas, pueden utilizarse para realizar a su gusto **desayunos y almuerzos** y pueden combinarse, o no, con otros esmaltes de EASE para conseguir un efecto de un gusto extraordinario.

**FR**

La série EASE se pare aussi de deux décors **délicatement fleuris**. Inspirés de la **tendance vintage**, ils puisent leur interprétation dans les souvenirs d'antan : les tableées familiales de nos grands-mères et les services de bistrots et salons de thé. Réalisées avec la même exigence de qualité et de savoir-créer que EASE, toutes les pièces sont ultra résistantes et garanties grand-feu inaltérable. Ces **formes intemporelles aux couleurs douces et positives** permettent de rehausser selon vos envies les petits déjeuners et déjeuners en les associant – ou non – aux autres glaçures de EASE, pour un effet du meilleur goût !

**IT**

La serie EASE è stata arricchita con due **delicati disegni floreali**. Ispirati dal **trend vintage**, rimandano ai ricordi d'antan: le tavolate familiari delle nostre nonne e i servizi da bistro e sale da tè. Realizzati con gli stessi standard di alta qualità e design di EASE, tutti i pezzi sono ultra resistenti e **garantiti a prova di fuoco**. Queste forme **senza tempo**, con i loro colori morbidi e positivi, possono essere utilizzate per **arricchire colazioni e pranzi** secondo le vostre preferenze, e possono essere combinate – o meno – con altri articoli EASE, per un effetto migliore!

## KERRAZZO SERIES

Round flat  
plate

Round deep  
plate

**EN**

Like a refreshing breath of Venetian summer air, the Kerrazzo series reveals the authenticity of a traditional process, inherited from antiquity.

Delightfully embellished with slivers of porcelain, this tableware set adorns must-have pieces with a touch of whimsicality. A seamless blend of raw material and sophistication, the series inspired by the mythical terrazzo combines the robustness and the charm of unique and meticulous detail, inspired by the expertise of our designers. It's the perfect way to offer an air of la dolce vita to all your dishes!

**DE**

Die Serie Kerrazzo versprüht mit der Authentizität eines traditionellen, aus der Antike übernommenen Verfahrens einen Hauch venezianischen Sommers.

Mit feinen Porzellan-Bruchstücken besetzt, kommen die essentiellen Teile dieses Sortiments ausgesprochen fantasievoll daher. In einer perfekten Kombination aus solidem Material und Raffinesse vereint die von den legendären Terrazzo-Böden inspirierte Serie dank der Kompetenz unserer Designexperten eine hohe Bruchfestigkeit und den Charme einzigartiger Details. Ein Hauch von Dolce Vita für all Ihre Gerichte!

**ES**

Como un soplo de verano veneciano, la serie Kerrazzo revela con autenticidad un proceso tradicional, heredado de la antigüedad.

Las piezas principales de este juego de vajilla, recubiertas de exquisitas virutas de porcelana, aportan un toque de fantasía. Una combinación perfecta de materia prima y sofisticación: esta gama está inspirada en el mítico terrazzo que combina la robustez y el encanto del detalle único, fruto de las habilidades de nuestros creadores. ¡Para que todos sus platos desprendan un toque de dolce vita!

**FR**

Comme un souffle d'été vénitien, la série Kerrazzo dévoile avec authenticité un procédé traditionnel, hérité de l'antiquité.

Comme délicieusement poillé d'éclats de porcelaine, cet assortiment de vaisselle orne vos pièces essentielles d'un soupçon de fantaisie. Parfaite combinaison de matière brute et de raffinement, la série inspirée du mythique terrazzo allie la robustesse et le charme du détail unique, issus du savoir-faire de nos créateurs. Voilà de quoi offrir un air de dolce vita à tous vos plats !

**IT**

Come un soffio d'estate veneziana, la serie Kerrazzo svela in maniera autentica una lavorazione tradizionale, retaggio dell'antichità.

Deliziosamente impreziosito da frammenti di porcellana, questo assortimento di stoviglie adorna i tuoi pezzi essenziali con un pizzico di fantasia. Connubio perfetto tra materia prima e raffinatezza, la serie ispirata al mitico terrazzo coniuga la robustezza e il fascino del dettaglio unico, frutto del know-how dei nostri creatori, per regalare un'atmosfera di dolce vita a tutti i tuoi piatti!

## PRODUCT CARE & GUARANTEE

EN

### HAND DECORATION PROCESS

RAKSTONE articles are individually hand decorated by our experienced operators. The specific feature of these designs is that no two pieces are the same. Sets of products with different shades and colour intensities give the collection its handmade character and colour variations shall not be considered as manufacturing defects.

### STACKING

To preserve the glaze of the items, always stack vertically and do not slide one piece onto another.

### IN THE DISHWASHER

- Follow recommendations of your cleaning product supplier regarding the amount of detergent to use and the use of cleaning products.
- Make sure the dishwashing machine is well-serviced as 80% of the problems are due to low quality maintenance of the dishwashing machine.
- Always rinse the porcelain after use and before you load it into the dishwasher.
- Make sure to wash glass, chinaware, cutlery and cooking equipment (pots and pans) in separate cycles.
- If metal marks appear, clean the surface with Porcelain Cleanser. Check the quality of your cutlery and also clean on a regular basis all working surfaces in stainless steel with a water & vinegar mix. This process will eliminate all metal particles that might be at risk to be transferred on the porcelain.

### CHIPPING

- Chipping is usually the result of rough handling during the washing process or storage.
- Clean any food remaining on the dinnerware by using a specific utensil; do not hit the dirty plate against the garbage bin.
- RAK hotel grade porcelain is microwave and salamander safe.

### EDGE CHIPPING GUARANTEE

RAK Porcelain and its distribution networks offer you a limited guarantee covering chipping for the RAKSTONE collection. We will replace any of those items that have rim chips, on the condition that the complaint is addressed to the distributor within 5 years from the date of purchase. This limited guarantee is only valid for the regular use of the products. The guarantee does not cover breakage or damage arising from misuse or non-ordinary use of our products. Contact your dealer for details about the conditions.

FR

### PROCÉDÉ DE DÉCORATION À LA MAIN

Les articles RAKSTONE sont décorés un à un à la main par nos opérateurs expérimentés. La particularité de ces décors réside dans le principe qu'aucune pièce n'est semblable à une autre. Les ensembles composés de produits aux nuances et intensités différentes donnent tout le caractère artisanal à la collection et ne doivent pas être considérées comme des défauts de fabrication.

### EMPILEMENT

Pour préserver l'émail protégeant le produit, toujours poser verticalement et non pas faire glisser.

### LAVE-VAISSELLE

- Suivre les recommandations de votre fournisseur de produits détergents en ce qui concerne le dosage et leur utilisation.
- Assurer la maintenance professionnelle du lave-vaisselle.
- Toujours rincer au préalable les assiettes après utilisation et avant de charger le lave-vaisselle.
- Toujours utiliser des cycles différents pour laver verres, porcelaine, couverts ou équipements de cuisine (casseroles et poêles).
- Si des traces métalliques apparaissent, nettoyer l'article en porcelaine avec du détergent liquide, revoir éventuellement la qualité des couverts, et nettoyer régulièrement les surfaces de travail inoxydables p.ex. à l'eau vinaigrée. Ce processus servira à éliminer les particules métalliques qui risquent de se déposer sur la porcelaine.

### EBRÉCHURE

- Les ébréchures sont souvent le résultat de manipulations inadéquates durant le processus de lavage ou de rangement.
- Ne pas taper l'assiette contre le bord de la poubelle, il est recommandé d'utiliser un outil ou l'eau pour dégager le surplus de nourriture.
- La porcelaine professionnelle de RAK passe au four micro-ondes et sous la salamandre.

### GARANTIE CONTRE LES ÉBRÉCHURES

RAK Porcelaine et ses réseaux de distribution ont le plaisir de certifier la garantie contre les ébréchures sur la collection RAKSTONE. Tout article ébréché sera remplacé, à condition que la réclamation soit adressée au distributeur dans les cinq ans après l'achat du produit. Cette garantie n'est valable que si les produits ont été utilisés pour un usage normal. La garantie ne couvre pas la casse ni les dommages provenant d'une utilisation non adéquate ou contraire aux usages professionnels. Voir conditions auprès de votre distributeur.

## HANDBEMALUNGSPROZESS

**RAKSTONE**-Artikel werden von unseren erfahrenen Mitarbeitern einzeln und von Hand bemalt. Dadurch wird jedes einzelne Stück zum Unikat. Diese individuelle Handwerkskunst kommt auch darin zum Ausdruck, dass die Sets unterschiedliche Nuancierungen und Farbintensitäten aufweisen können, welche folglich keinesfalls als Herstellungsfehler zu betrachten sind.

## STAPELN

Um die Glasur des Produkts zu schützen, ist es angebracht, Geschirrteile aufeinander zu stapeln und nicht horizontal ineinander gleiten zu lassen.

## GESCHIRRSPÜLMASCHINE

- Befolgen Sie die Empfehlungen Ihres Herstellers für Spülmittel, insbesondere in puncto Dosierung.
- Die Geschirrspülmaschine ist regelmäßig zu warten, 80% der aufgetretenen Probleme sind auf eine unzureichende Wartung der Maschinenteile zurückzuführen.
- Grobe Essensreste müssen mit kaltem Wasser von den Tellern entfernt werden, bevor die Spülmaschine beladen wird.
- Beachten Sie, dass stets getrennte Spülgänge für Gläser, Porzellan, Besteck und Küchengeräte (Töpfe und Pfannen) gewählt werden.
- Wenn dunkle Spuren auf der Glasur auftreten, reinigen Sie den Artikel mit einem weichen Tuch und flüssigem Scheuermittel (Porzellaneinreiniger). Prüfen Sie ggf. die Qualität Ihrer Bestecke. Reinigen Sie regelmäßig mit einer Wasser-Essig Lösung alle Arbeitsflächen aus Edelstahl in Ihrer Küche. Dieser Vorgang eliminiert Metallpartikel die sich am Porzellan absetzen können.

## KANTENABSPLITTERUNG

- Kantenabsplitterungen sind zumeist das Ergebnis eines nicht-fachgerechten Umgangs während des Spülvorgangs oder beim Einräumen/Transport des Geschirrs.
- Schlagen Sie den Teller nicht gegen den Rand des Mülleimers, benutzen Sie eine Gabel oder laufendes Wasser um die Reste vom Teller zu spülen.
- Unser Porzellan ist, dank einer verstärkten Scherbenhärte für den Mikrowellenherd und den Salamander geeignet.

## GARANTIE GEGEN KANTENABSPLITTERUNG

RAK Porzellan und das Händlernetzwerk bieten Ihnen eine begrenzte Garantie auf die Kollektion **RASKTONE**. Wenn die Teile mit Kantenbruch innerhalb von 5 Jahren ab Kaufdatum an den Händler zurückgegeben werden, erfolgt eine kostenlose Ersatzlieferung. Diese Garantie gilt nur für den alltäglichen Gebrauch der Produkte. Die Garantie erstreckt sich nicht auf Brüche oder Schäden, die durch Missbrauch oder nicht alltäglichen Gebrauch unserer Produkte entstehen. Kontaktieren Sie Ihren Händler für weitere Details über die Bedingungen.

## PROCESO DE DECORACIÓN MANUAL

Nuestros experimentados fabricantes decoran manualmente los artículos **RAKSTONE** uno a uno. La particularidad de estas decoraciones radica en el principio de que no existen dos piezas iguales. Los juegos de productos con diferentes tonos e intensidades le otorgan el carácter artesanal a la colección y no deben considerarse defectos de fabricación.

## APILAMIENTO

Para preservar el esmalte vidriado de los productos, apilar siempre verticalmente y no deslizar en horizontal.

## LAVAVAJILLAS

- Seguir las recomendaciones de uso de su proveedor de productos detergentes en lo relativo a su dosificación y manejo.
- Realizar siempre el debido mantenimiento del lavavajillas, ya que el 80 % de los problemas surgidos provienen de un mantenimiento incorrecto.
- Enjuagar siempre los platos después de su uso y antes de introducirlos en el lavavajillas.
- Utilizar siempre ciclos diferentes para lavar vidrio, porcelana, cubiertos o batas.
- Si aparecen marcas de metal en su porcelana primero limpie la superficie con un limpiador de porcelanas. Compruebe la calidad de sus cubiertos y lave a menudo las superficies trabajo, especialmente aquellas donde se usen éstos, con una mezcla de agua y vinagre. Este proceso eliminará todas las partículas de metal que pudieran ser transferidas a las piezas de porcelana. Las marcas de metal también pueden deberse al apilamiento, cuando hay bajo un plato polvo metálico de acero inoxidable y éste se deposita sobre la parte superior de la siguiente pieza de vajilla.

## DESPORTILLADURAS

- El deportillado es a menudo el resultado de una manipulación muy brusca durante el proceso de lavado o colocación.
- No sacudir el plato contra el borde del cubo de la basura, utilizar mejor un tenedor, o un utensilio de cocina específico para tirar las sobras.
- Nuestra porcelana profesional **RAK** es compatible con el microondas y el lavavajillas, y presenta una gran resistencia a las deportilladuras.

## GARANTÍA CONTRA DESPORTILLAMIENTOS

RAK Porcelain y su red de distribuidores le ofrecen una garantía limitada que cubre los posibles deportillamientos de **RAKSTONE**. Nos comprometemos a reemplazar cualquiera de los artículos que tengan roturas por deportillamiento en las alas, con la condición de que la reclamación sea dirigida al distribuidor durante un período máximo de 5 años desde la fecha de compra. Se entiende que esta garantía tendrá todos los efectos siempre y cuando el uso que se le da a los productos sea el normal para el cual han sido diseñados. Esta garantía NO cubre los daños ocasionados a nuestros productos debido al uso indebido o usos para los cuales no se han concebido. Contacte a su distribuidor para más detalles sobre las condiciones.

## PROCESSO DI DECORAZIONE A MANO

Gli articoli **RAKSTONE** sono decorati a mano, uno a uno, dai nostri esperti operatori. La particolarità di queste decorazioni è che non ne esistono due uguali. Le differenze di tonalità e intensità di colore dei prodotti contenuti nei set conferiscono alla collezione un carattere di artigianato e non devono essere considerate difetti di fabbricazione.

## IMPILAMENTO

Per preservare lo smalto che protegge i prodotti, posateli sempre verticalmente ed evitate che scivolino.

## LAVASTOVIGLIE

- Seguire le raccomandazioni del vostro fornitore di detergenti per quanto concerne il dosaggio e l'impiego di questi ultimi.
- Assicurate una manutenzione professionale della lavastoviglie.
- Risciacquate sempre i piatti dopo l'utilizzo e prima di caricare la lavastoviglie.
- Utilizzate cicli diversi per lavare vetro, porcellana, posate e altri utensili da cucina (pentole e padelle).
- In presenza di tracce metalliche, lavate porcellana con un detergente liquido, esaminate eventualmente la qualità delle posate e pulite regolarmente le superfici di lavoro inossidabili ad es. con acqua e aceto. Questa procedura serve a eliminare le particelle metalliche che possono depositarsi sulla porcellana.

## SCHEGGIATURA

- Le scheggiature sono spesso il risultato di manipolazioni non adeguate durante i processi di lavaggio o di sistemazione.
- Evitate di sbattere il piatto contro il bordo della pattumiera: per gettare gli avanzi di cibo, è consigliabile aiutarci con uno strumento o con dell'acqua.
- La porcellana professionale **RAK** può essere messa nel forno a microonde.

## GARANZIA CONTRO LE SCHEGGIATURE

RAK Porcelain e la sua rete di distribuzione vi offre una garanzia che copre le scheggiature sui prodotti **RASKTONE**. Verranno rimpiazzati gli articoli che riportano scheggiature sul bordo a condizione che il reclamo venga riportato al distributore entro 5 anni dalla data dell'acquisto. La presente garanzia limitata è valida solamente per il regolare utilizzo dei prodotti. La garanzia non copre rotture o danni che provengono sui ai prodotti per uso improprio o non ordinario. Per ottenere maggiori informazioni delle condizioni in merito, siete pregati di contattare il vostro rivenditore.
